

**Application 20/01255 – 58 Ruscombe Gardens, Datchet.** Datchet parish council would like to issue NO objection to this application but would like the following noted:

1. We would raise the councils' attention to the limited neighbour's consultation with only a single notification and would like a note of this. We feel this does not meet the required number of comments to gain a suitable consultation within the policy of this application
2. This property falls on the boundary of flood zones 2 & 3 as shown on the attached Environmental Agency flood map and due consideration should be made to the risk of flooding and development on natural drainage in this area.
