## **Lead Members Report**

### **PROPERTIES REPORT**

#### **Library**

I have asked 3 Companies to quote to put the roof in a good state of repair, hope to bring these to meeting in Feb 2023.

#### **Village Hall**

Have arranged to have a roof inspection carried out as Cllr Bacon has reported some water ingress in parts of the hall.

Ladies' toilets were damaged over Xmas period, I have arranged repairs but will be checking if this is DPC responsibility or Hall Management committee.

I also suggest that the hirer should also be asked to contribute or pay for damages.

The heating has had most of necessary repairs completed and we await one minor part to be installed before we can get inspection certificate completed.

I am of the belief that the heating system in the hall is not now fit for purpose and the Council should consider looking into a new system throughout.

#### **Cemetery**

I will be looking to get quotes to turn the old Mortuary store into a toilet for users of the cemetery within the next few weeks
