

DATCHET PARISH COUNCIL

COUNCIL MEETING 8th August 2022

AGENDA ITEM 12

1. **Report to Council**
2. **Subject:** Properties
3. **Report Prepared By:** Cllr. Loveridge

Dated 5th August 22

Lead Members Report

1. Library porch and front door have been painted; side gate repaired.
2. Village Hall window frames, handrails, doors painted; office rear door will need replacing as too rotten for repair.
3. Library roof survey complete; waiting on report and quote for works.
4. There are a number of works coming up over the next few months in codes where there is little or no money.

There are Monies in different codes that are not being used or looking to be used, So

I propose we take;

£7,000 from the Mortuary Store refurb code 4633 (leaving £2,000 for general repairs)

£30,000 from the Library Roof Repairs code 4644 (leaving £27,000 which will cover the works)

£2,700 from the properties survey fund 4646, (as we only need to do these every 3 years, leaving £300)

£2,500 from Maintenance 24 The Green 4200 (as there are 2 codes for this leaving £2,500)

To be put into code 4638 - Properties General Maintenance.

Cllr. D. Loveridge Lead Member for Properties
