(Part 2 meeting).
- 1.6.6 All mobile phones will be turned off or on silent setting during meetings of the Council and not used by Council members during the meeting.

- 2.6 In an election year, if the current Chairman has not been re-elected as a member of the Council, he will preside at the statutory meeting until the new Chairman is elected. The outgoing Chairman does not have a vote in respect of the election of the new Chairman but must give a casting vote in the case of an equal number of votes cast.

## **3 Proper Officer**

- 3.1 Where a statute, regulation or order confers functions, duties or responsibilities on the Proper Officer of the Council this will be the Clerk.

## **4 Quorum**

- 4.1 A quorum will be five members of the Council. No business can be transacted or decision be taken at any meeting of the Council unless there is a quorum of members.
- 4.2 If a quorum is not present when the Council meets or if during a meeting of members present and not disbarred by reason of a declared personal or prejudicial interest falls below the quorum, the business not transacted at that meeting will be transacted at the next meeting or on such other day as the Chairman may determine.

## **5 Order of business**

- 5.1 At an Annual Statutory meeting the first business will be as follows:
  - 5.1.1 In an election year the first business will be to receive such declarations of acceptance of office as are required by law, or if not then received to decide when these will be received.
  - 5.1.2 To elect a Chairman.

- 5.1.3 In an election year, if the outgoing Chairman is retiring from the Council, he will continue to be Chairman until the new Chairman has been elected by the Council. In this situation he cannot vote for the new Chairman but must give a casting vote if there are an equal number of votes.

(NB. Appendix D to the Standing Orders sets out the current list of Council representation on outside bodies).

- 5.2.2 The member presiding at a meeting of the Council will exercise all powers and duties of the Chairman in relation to the conduct of that meeting.
- 5.2.3 Thereafter unless the chairman of the meeting otherwise decides on the grounds of urgency or expediency, the order of business will be as set out in the agenda (see Appendix A - Model Agenda).

## 6 **Rules of debate**

- 6.1 When the Chairman or any member is speaking all other members will remain silent.
- 6.2 All members will direct their speech through the Chair.
- 6.3 No discussion will take place upon the minutes of the previous meeting except upon their accuracy.
- 6.4 Corrections to the minutes will be made by resolution and recorded in the minutes of the meeting at which the amendment is made.
- 6.5 A member will indicate a wish to speak by raising a hand and will not speak until called upon to do so by the Chairman. If two or more members indicate a wish to speak the Chairman will call upon one to speak, the other waiting their turn until called.
- 6.6 When speaking, members will confine their comments to the matter under discussion and avoid any irrelevance, repetition and verbosity.

- 6.7 No members at a meeting will disregard the ruling of the Chairman, wilfully obstruct the business of the meeting, or behave irregularly, offensively, improperly or in such a manner as to scandalise the council or bring it into contempt, ridicule or disrepute.
- 6.8 If in the opinion of the Chairman a member has contravened any of the provision above, the Chairman will express that opinion to the meeting.
- 6.9 Thereafter, any member may move that the member named be no longer heard, or that the member named leaves the meeting.
- 6.10 The motion if seconded will be put forth with and without discussion.
- 6.11 If they wish, members may stand to speak in order to be better heard, and at all times must use the microphone. Except in Part II meetings, where microphones will be turned off.

## **7 Disturbance at meetings**

- 7.1 Anyone whether a member of the council or the public, who disturbs the proceedings, may be required by resolution to remain silent during the present debate or to withdraw.
- 7.2 It is not desirable for such a resolution to be moved until the Chairman has at least once requested the offender to desist and the request has been ignored.
- 7.3 Mere heat or anger in discussion is not of itself a ground for excluding a member, but any interruption by the public is technically a disturbance.
- 7.4 Where the request by the Chairman has been disregarded, the resolution will then be put automatically and without comment by the Chairman or any member.
- 7.5 An offender who refuses to comply with the resolution may be removed by force, but care should be taken to use no more force than is necessary. It is usually desirable (but not legally necessary) to secure the help of the police.

## **8 Resolution moved on notice**

- 8.1 No resolution can be moved unless the business to which it relates has been put on the agenda by the Clerk. A member may request for a motion to be put on the agenda by giving notice to the Clerk in writing at least five working days before the summons to the meeting of the council.
- 8.2 Any member may move a resolution of a matter on the agenda when it is under debate, which should then be discussed and voted upon.
- 8.3 A proposal or amendment will not be discussed unless it has been proposed and seconded. It should be written down by the Clerk and read out to the council before it is discussed further or put to the meeting, and also directly before a vote is taken.

- 8.4 A member will direct their speech to the matter under discussion or to personal explanation or to a point of order. Point of order is a query in a formal debate if a procedure is not being followed.
- 8.5 A member may make a point of order, subject to agreement by the chairman, or give a personal explanation. For this purpose a member will be heard forthwith. A personal explanation will be confined to clarification of some material part of a former speech that may have been misunderstood.
- 8.6 An amendment to a proposal can only be made to change the wording by adding or removing words.
- 8.7 An amendment will not have the effect of negating the motion before the council. Members can achieve this by voting against the motion.
- 8.8 If an amendment be carried, the resolution as amended will take the place of the original resolution and will become the resolution upon which any further amendment may be moved.
- 8.9 A further amendment will not be moved until the council has disposed of every amendment previously moved.
- 8.10 The mover of the resolution has a right to reply immediately before the resolution is put to the vote.
- 8.11 If an amendment is proposed the mover of the resolution is entitled to reply immediately before the amendment is put to the vote. (Right of reply)
- 8.12 A member exercising a right of reply will not introduce new matter.
- 8.13 After the right of reply has been exercised or waived, a vote will be taken without further discussion.

## **9 Resolution without notice**

- 9.1 When a resolution is under debate no other resolution will be moved other than the following, on a 'point of order':
- 9.1.1 Amend the resolution (see section 8).
- 9.1.2 Adjourn the debate – refer the matter to the relevant Lead Member or other councillor(s) to bring back a report to the next council meeting.
- 9.1.3 The resolution is referred to a working group.
- 9.1.4 The member named is not further heard.
- 9.1.5 The member named leaves the meeting.
- 9.1.6 The question is now put. i.e. the vote should now be taken without further discussion.

9.1.7 To exclude the public and press. (Part II meeting) .

9.1.8 Adjourn the meeting.

9.1.9 Personal explanation.

## **10 Exclusion of the Public and Press (Part II meeting)**

10.1 Meetings will be open to the public and the press except where the Council formally resolves to exclude them from all or part of the meeting.

10.2 The Chairman may move that the press and public be excluded from a council meeting (whether for the whole or part of the proceedings) on the grounds that publicity would be prejudicial to the public interest by virtue of the confidential nature of the business to be transacted.

10.3 Or, for other special reasons arising from the nature of that business or the proceeding where the agenda item relates to the consideration of: - tenders, leases, purchases of assets, for matters relating to staffing covered by the data Protection Act and to consider complaints against the council or a code of conduct complaint.

10.4 The resolution to move into a Part II must be passed by full Council to substantiate the exclusion.

## **11 Questions**

11.1 Any members may ask the Chairman or the Clerk a question in relation to the business under discussion.

11.2 Any question not connected with the business under discussion will not be asked except during that part of the meeting set aside for such questions.

11.3 Relevant questions will be put in a concise, clear and explicit manner and answered without interruption.

11.4 Advance notice of a question requiring a detailed reply should be given to the Chairman or Clerk not less than five working days prior to the meeting at which the question is to be raised. (Working days for the Parish office are Monday, Wednesday and Fridays only). The response will be given at a time agreed between the two parties and at the next meeting of the council. Such questions include those that the answer may not readily be available without notice.

11.5 A person to whom a question has been put may decline to answer at the time. In this circumstance, a written or verbal reply will be provided at the next meeting of the council or if agreed by the council, directly to the member outside of the meeting by an email to all members, unless alternative arrangements have been made.

## **12 Points of Order – (i.e. not following procedures)**

- 12.1 The ruling of the Chairman on a point of order or on the admissibility of a personal explanation will not be discussed.
- 12.2 The extent and length of any discussion is a matter for the Chairman, who should exercise a balance between ensuring a full and relevant discussion whilst avoiding verbosity, irrelevance, repetition and prevarication.

## **13 Closure**

- 13.1 At the end of any speech a member may, without comment, move that (i) the question be now put, (ii) the debate be now adjourned, (iii) the council do now adjourn.
- 13.2 If such motion is seconded, the Chairman will put the motion but in the case of a motion 'to put the question', only if the Chairman is of the opinion that the question before the council has been sufficiently debated.
- 13.3 If the motion 'that the question is now put' is carried, the Chairman will call the mover to exercise or waive their right of reply and shall put the question immediately after that right has been exercised or waived.
- 13.4 The adjournment of a debate or of the council will not prejudice the mover's right of reply at the resumption.

## **14 Voting**

- 14.1 Members will vote by a show of hands or, if the majority of members present so request before the ballot, by a secret ballot on paper.
- 14.2 The Chairman may give an original vote on any matter put to the vote and, in the case of an equality of votes may also give a casting vote.
- 14.3 Where more than two members have been nominated for any position to be filled by the council and of the votes given there is not an absolute majority in favour of one member, the name of the member having the least number of votes will be struck off the list and a new vote will be taken until such time as a majority of votes is given in favour of one member.
- 14.4 If a member asks for a named vote, the request for this should be made before the vote is taken. The Clerk will record the names of the members who voted on a given motion so as to show whether they voted for or against the motion or abstained.
- 14.5 If a secret vote is requested, once the results have been recorded, the ballot papers will be destroyed at the end of the meeting by the Clerk.

- 14.6 A decision of the council on a resolution will not be reversed or rescinded within a period of six months from the date of the council except either by special resolution bearing the names of at least five members of the council, or by a resolution moved following a report or recommendation of a working group.

## **15 Members' conduct**

- 15.1 All members must at all times comply with these standing orders and with the current code of conduct.
- 15.2 In public situations, council members must not behave or speak in a manner so as to bring the council into disrepute.
- 15.3 Similarly, in day-to-day life it is important that council members do not give the impression that they are speaking on behalf of the council, particularly if they are expressing, or could be perceived to be expressing their own personal views.
- 15.4 This is especially important when dealing with members of the press who are skilled at obtaining information during conversations and may report it in such a way as to support their own views and stories.
- 15.5 The press officers for the council are the Clerk and the Chairman, and all communications with the press and other media will go through them.
- 15.6 If a candidate for any appointment (i.e. employment) under the council is to their knowledge related to any council member, or the holder of any office under the council, they and the person to whom they are related shall disclose the relationship in writing to the Clerk, who will report to the council any such disclosure.
- 15.7 A candidate who fails so to do will be disqualified for such appointment.
- 15.8 The Clerk will make known the purpose of this standing order to every candidate.
- 15.9 In the case of the council employees or those seeking appointment (employment) by the council, no member of the council will solicit for any person any appointment or promotion under the council or recommend any person for such appointment or promotion. Nevertheless, a member may give a written testimonial of a candidate's ability, experience or character for consideration by the council in considering an application for appointment or promotion.

## **16 Members of the public and press in council meetings**

- 16.1 Meetings will be open to the public and the press unless it is deemed necessary to exclude them for reasons stated. (Section 1.6.5 above).
- 16.2 Provision will be provided for members of the press and public to have access to agendas and other relevant documents, (including Lead Members' reports), prior to meetings.
- 16.3 Members of the public have no rights to speak at a council meeting unless the council authorises this.
- 16.4 When a member of the council is speaking, everyone else present will remain silent.
- 16.5 A member of the Borough Council has no special rights above those of any other member of the public.
- 16.6 Members of the public may speak during Public Questions at the beginning of the meeting and also during the consideration of individual planning application, when so permitted by the Chairman to a maximum of 5 minutes per application, unless agreed by Chairman.
- 16.7 Public questions time on the agenda is only for questions with answers to be given and is not the opportunity for members of the public to engage in debate with members of the council or with each other.
- 16.8 The length of time for public questions at the beginning and end of the meeting is limited to only 10 minutes in total to enable the business on the agenda to be completed in a timely manner, unless the Chairman exercises discretion otherwise.
- 16.9 As with councillors and at appropriate times, members of the public should indicate a wish to speak by raising a hand and not speak until called upon to do so by the Chairman.
- 16.10 When the Chairman, any member of the council or of the public is speaking everyone present will remain silent.
- 16.11 If a member of the public continuously interrupts the proceeding of any meeting the Chairman may, after giving a warning, order that they leave or be removed from the meeting.
- 16.12 A local council is entitled to control disorderly conduct by members of the public and the council. The council is justified in requiring a disruptive person to leave a meeting. In these situations, it is advisable, though not essential, to call the police and adjourn the meeting.

## **17 Council documents**

All council documents are in the public domain unless the council has agreed that specific documents should be confidential. Employee files are a specific example.

## **18.1 Minutes**

- 18.1.1 Minutes of the proceedings of every council meeting are to be kept by the Clerk in a book or in a loose-leaf file with consecutively numbered pages.
- 18.1.2 Draft minutes will be sent by email to all members by seven working days of the meeting for members to reply with any inaccuracies before issue. The aim is that all inaccuracies and corrections should be cleared prior to the meeting thus making approval at the meeting a formality.
- 18.1.3 A final copy of the unapproved version will be sent to all members prior to the meeting along with any other documents for that meeting as is necessary. At the same time the minutes will be published on the parish website.
- 18.1.4 The names of members present at any council meeting must be recorded.
