

M4 closure

between junctions 5 and 6

27 to 30 September 2019

The M4 will be closed in both directions between **junctions 5 and 6** from

**8pm Friday 27 September 2019 until
6am Monday 30 September 2019**

We're closing this section of the motorway so we can demolish Recreation Ground overbridge.

Diversion routes will be clearly signed for the duration of the closure.

Please plan ahead, find alternative routes and avoid this section of the M4 during this time if possible.

If weather is bad or there are other issues beyond our control, this closure may be postponed.

We therefore have two contingency bookings over the weekends of 4-7 October 2019 and 11-14 October 2019.
