Proposal: Oak -fell (TPO 17 of 1978) Works to trees Covered by TPO

Recommendation: Refer to Tree officer at RBWM, it is noted by the resident that the tree is diseased, but this needs to be followed up officially by the Tree officer. If diseased we would recommend no objection, however if this is not the case, we feel this tree should continue to be protected for the benefit of all. WE would also recommend that a replacement should be part of this planning application and added as a condition to be agreed with the tree officer and environmental officer at RBWM.
