1. Introduction

- 1.1. Every Contract by the Council or person acting on its behalf shall comply with this Procurement Policy, the Parish Council's Standing Orders and Financial Regulations. These regulations cover, amongst other things: the number of quotations to be sought and the tendering procedures
- 1.2. The purpose of this policy is to provide guidance on the factors that will be taken into account when purchasing goods and services.
- 1.3. A Contract is an agreement between the Council and an individual or organisation for the individual or organisation to provide works, goods or services (including the engagement of consultants) for which the Council will provide consideration. The following contracts are exempt from the requirements of these rules: contracts relating solely to disposal or acquisition of land; employment contracts and individual agency contracts for the provision of temporary staff.
- 1.4. Persons involved in the awarding of a Contract on behalf of the Council must ensure that the best value for money is obtained. Before commencing a procurement, it is essential that the authorised person leading the procurement has identified the need and fully assessed the options for meeting those needs. The best use of purchasing power shall be sought by aggregating purchases wherever possible.
- 1.5. Exceptions from any of the following provisions of these Contract Procurement Rules may be made under the direction of the Council where they are satisfied that the exception is justified in special circumstances. Every exception and reason therefore shall be recorded.

2. Local contractors preferred

- 2.1. The Council recognises the benefits to the economy of using local businesses and will seek out local contractors and suppliers wherever possible, subject to Para 12 below.

3. Competence of contractors and due diligence

- 3.1. The Council shall only enter into a contract with a supplier if it is satisfied as to the supplier's suitability, eligibility, financial standing and technical capacity to undertake the contract by carrying out appropriate due diligence.
- 3.2. All contractors and suppliers working on Council sites will be required to comply with the Council's Health & Safety policy and any rules specific to the site of operation, for example Cemetery Regulations. Provision of suitable risk assessments and method statements will be a condition of all such contractors.

3.3. The Council requires all contractors working on Council sites and projects to maintain adequate insurance, including but not limited to Public Liability insurance for £5 million.

4. Equality and sustainability

4.1. The Council recognises the importance of sustainability and will take into account the environmental, social and economic impacts of its purchasing decisions.

4.2. The Council recognises its duty to protect biodiversity under Section 40 of the Natural Environment and Rural Communities (NERC) Act 2006. To meet this duty the Council will wherever possible purchase products that protect biodiversity, for example peat-free compost.

4.3. The Council will, wherever possible, purchase goods that meet international Fairtrade standards (or similar).

5. Prompt payment of invoices

5.1. The Council understands the importance of paying suppliers promptly and will wherever possible settle accounts within a maximum of 30 days, or earlier, by agreement. In order to comply with current legislation all payments are made by BACS transfer/Cheque.

6. Pre-approval of contractors

7.1. Normally the Council will accept the quotation, estimate or tender that provides best value for money, however, the Council is not obliged to accept the lowest of any tender, quotation or estimate, but must give valid reasons for not doing so.

8. Purchases on account

8.1. The Council may maintain monthly accounts with suppliers of regular purchases. All purchases on Council accounts may only be made by authorised Council officers who must be provided with a receipt. Limits will be set on each account on the maximum value of individual purchases and the overall balance on the account. Expenditure over these limits must be authorised in advance.

10. Contracts between £300 and £3,000

10.1 While not obliged to seek competitive tenders for works between £300 and £3,000 where there are opportunities for competitive savings, two quotations may be sought (subject to Para 7 above). For purchases below £300 quotes may be sought in order to achieve price comparisons.

11. Contracts between £3,000 and £5,000

11.1. While not obliged to seek competitive tenders for works below £5,000, where there are opportunities for competitive savings, two quotations shall be sought (subject to Para 7 above).

- 13.5. Every written contract shall specify:
 - a) The work, materials, matters or things to be furnished, had or done:
 - b) The price to be paid, with a statement of discounts or other deductions (if any); and
 - c) The time or times within which the contract is to be performed.
- 13.6. Every contract which exceeds £30,000 and is either for the execution of work or the supply of goods or materials shall provide for payment of liquidated damages by the contractor in case the terms of the contract are not performed.
- 13.7. Contracts over the value of £30,000 shall comply with Articles 109 to 114 of the Public Contracts Regulations 2015 as explained in NALC Legal Topic Note 87 regarding the advertising of contracts and the use of the 'contract finder' website.

Each tendering firm shall be supplied with a specifically marked envelope in which the tender is to be sealed and remain sealed until the prescribed dates for opening tenders for the contract.

- 14.2. The tenders shall be kept in the custody of the appropriate nominated person until the time and date specified for their opening.

- 14.4. Quotations and tenders may be received electronically provided they are kept in a separate secure folder under the control of the Responsible Financial Officer which is not to be opened until the deadline has passed for receipt of tenders.

15. Acceptance of Quotations and Tenders

- 15.1. The tender that offers best value to the Council shall be accepted. Each tender shall be evaluated for the price and quality to ascertain the most economically advantageous tender. Local companies should be encouraged to apply.
- 15.2. For procurements over £30,000 the questions and scoring systems used shall be written before tenders are received. The basis of this exercise shall be explained in any invitation to tender documentation.
- 15.3. Where the authorised person considers it in the best interest of the Council he/she may negotiate with the tenderers whose tenders are being considered for acceptance. No negotiation on contracts whose value is in excess of £30,000 can take place without reference to the Chair of the Council. Any negotiations which would distort competition is expressly forbidden.
