Datchet in WWI & WWII

Remembering the servicemen buried in our cemetery

It is not widely known that there are WWI and WWII soldiers' graves and memorials in Ditton Road Cemetery; a few were rediscovered only recently.

Datchet Village Society has been researching the lives of these men.

From Friday to Wednesday, 7-12 November, with special permission from Datchet Parish Council, there will be temporary notices by these WWI and WWII graves and memorials, explaining more about each soldier's life and experience of war.

Please join us in remembering these men
