24/220 PUBLIC QUESTION TIME

Resident 1 spoke as a community member of WAD and asked who is the final arbiter to give permission for use of the Sabatini Land. She also asked why did DPC councillors vote to change the Wassail event without having full information/facts.

The Chair replied that the DRCCT are in charge of the Sabatini Land and that the Wassail event item had come to the agenda very late in the year therefore not giving the councillors much time to consider the motion.

Resident 1 commented that as the Wassail event was already organised/funded, and that councillors had not much time to consider the event, would it not of been a wiser decision to let it go, as it was an initiative from a local respected group.

The Chair said it could have been referred to the next meeting but then the event would not have happened. It was therefore decided to make a decision that night and put before the council and democratically the council voted to make the amendment. He said DPC did not cancel the event, WAD made the decision to cancel the event.

Resident 2 spoke as the Chair of the DVS on this month’s DPC cemetery report, and how we were asking for the contractor to submit an application for the listed building consent for work to the chapel. She said that the DVS has helped the council in the past with listed building consent and if we’d like them to review the Heritage statement if one is being

submitted, they are happy to do so. She also spoke on agenda item **24/223a** about allowing community members to ask questions under agenda items. She said often during council discussions, questions are asked amongst councillors to which they don't have all the answers, but sometimes members of the public do have the relevant answers, and occasionally it might be helpful to allow people to comment in them circumstances.

The Chair replied the council meeting is not an open public meeting but you can put forward an application to become a member to take part. He said as members of the council that is what the councillors are here to do, to debate and discuss. He said on planning matters we will always consider the public input and public can always write in with any matters of concern, but it would be impossible to open up every single question and agenda item for debate.

Resident 2 commented that she didn't mean for the public to be able to comment on all items, but if standing orders could be suspended temporarily for someone to say something that would be useful.

The Chair said it is within our powers to cancel standing orders if we see fit.

He said he will refer the question on the cemetery to the lead member to answer.

Cllr C. Wise, lead member of Cemetery, replied to the question on the listed property and said she and the Clerk were unclear on processes and are being guided by the builders so it would be useful to sit down together in the future. However, for time purposes with this one, it is easier to let the contractor deal with it.

Resident 2 said she was happy to review the Heritage statement for detail and clarification if required.

24/221 DECLARATIONS OF INTEREST

- b. Other planning matters, including any new 106 Allocations and Enforcement Matter

The Chair provided an update on application 24/03085 (**AL39**), stating that legal advice had been sought, and a report had been received. He explained that solicitors have been engaged to provide guidance, with the recommendation being to object to the application while using legal advice to support maintaining the current condition. He noted that this has incurred some expenditure and mentioned the possibility of bringing the matter back to the council in the future to discuss legal costs.

Resident 1 informed the meeting that she had received a letter earlier that day, indicating the application for AL39 proposed significant changes to the housing plans with a new developer.

Cllr I. Thompson inquired if a drawing was available to show the areas affected by the changes, as this could impact Flood Zone 2. The Chair and the resident informed him that this information is accessible on RBWM planning portal.

24/226 FINANCE

- a. To approve income and expenditure up to 10th January 2025 – Chairman to sign pink sheet (*paper*)

ACTION: Clerk to update

f. Update to Standing Orders – The Council's Standing Orders be updated to include the following provision under Section 1: All meetings of the Parish Council, including committee meetings, must be held on the dates as agreed by the Council at the Annual Statutory Meeting or Council Meeting thereafter, unless exceptional circumstances necessitate a change. In such cases, the Clerk must provide written notice of the change and the reasons for it to all members of the Council as soon as practicable. Proposed by Cllr Larcombe

RESOLVED: Cllr E. Larcombe withdrew his proposal.

24/228 BOROUGH COUNCILLOR’S REPORT:

Cllr E. Larcombe stated that the Jubilee River had collapsed again at Taplow and an enormous chunk of the embankment had fell away where they had previously reinforced it and grew trees on it. Houses are now within 15 meters of the chip out of the embankment. The EA hired a helicopter to put in bags of stones. In his opinion it is out of action until further notice, currently carrying a small amount of water, but no protection if it rises another 0.5m. He said this is a serious problem with the RTS & Oxford Alleviation Scheme, as water is cutting into the embankment, due to the running of small quantity of water over a long time, it has an erosive effect.

Cllr M Davies asked how much cost has been lost in all the mess.

Cllr E Larcombe said they have spent £5m trying to rectify the things that have gone wrong and are still going wrong. Explaining they have spent 15 years and £100m on the RTS which is still in development and has not been forwarded for planning permission. He doesn’t think it will get approved.

Cllr T O’Flynn asked if the malfunction of the scheme in Taplow has affected the cost of housing.

Cllr E. Larcombe said this would not only affect the cost of the housing but also the insurances.

Cllr I. Thompson said he was contacted by some residents about the river collapsing and referred them to the Atkins report where it clarifies where the cause of the problem is and how the problem will continue due to cost savings and vital construction being removed from

the original construction. He reiterated the Jubilee River is still providing problems and causing costs after all this time.

Borough Cllr D. Buckley said he had spent two days on behalf of residents on a conference to see what was involved on the Devolutionary process. He explained a white paper was issued in December regarding the removal of local authorities and the restructuring of local authorities in the UK. He said it would be the biggest restructuring of local authorities in its lifetime and would involve merging existing districts and county councils into unitary councils. He explained how 12 elected mayors will run all local authorities and be in charge of everything such as police, fire and planning. The main strategy is growth and development with the emphasis on parish councils to take more devolution and powers. He said it would require an increase in skill levels on the parish council to take on devolutionary needs of the government. He said it would be the biggest change in democracy in history, and encourages all members to read the white paper.

Cllr T. O' Flynn asked if it defines the areas in the report. Borough Cllr D. Buckley said it was still under review but roughly looking around 500,000 residents per area.

Cllr E. Larcombe asked how the government will handle the enormous debts some councils have. Borough Cllr D. Buckley said he was just interpreting the paper and highlighting some of the facts. He said it will definitely happen. Planning panel briefed on a new paper to say to approve all commercial and residential applications as first directive unless serious weighted arguments. He explained the whole way of living is changing very fast under this growth strategy and we should all be concerned.

Cllr S Young asked if this could be an opportunity for the council.

Borough Cllr D. Buckley said it was written as an opportunity by NALC and he has asked if they could engage with Datchet as a progressive parish. He is hoping for a meeting and will need to reassure the authorities and government that we are professional and can manage responsibilities given.

24/229 GROUNDS:

- a. Lead Councillors report
Report circulated. Cllr Thompson added that the Memorial green perimeter works had started and is ongoing. This is to include the milestone, telephone box and vehicle entry point.
- b. Councillor's questions
None.

24/230 CEMETERY

- a. Lead Councillors report
Report circulated.
- b. Motion to consider the quotes for the mortuary store refurbishment proposed by Cllr Wise
It was recommended by the Clerk to move this item into a Part II meeting.
RESOLVED: A vote was taken to move the motion into a Part II.
Proposed by Cllr D. Buckley, seconded by Cllr C. Wise and **UNANIMOUSLY AGREED.**
- c. Councillor's questions
None.

24/231 EVENTS:

- a. Lead Councillors report

None.

b. Councillor's Questions

Cllr E. Larcombe asked about the 80th anniversary of VE day event coming up and suggested we use the silhouettes as feels its appropriate to have them there. Possibly illuminated.

ACTION: Office to refer this to the lead member of events.

24/232 PROPERTIES

a. Lead Councillors report

None

b. Councillor's Questions

Cllr D. Loveridge asked if there had been any recent rent reviews on properties. Cllr D. Sanders said some of the larger ones were due next month and currently under review.

24/233 HIGHWAYS

a. Lead Councillors report

None.

c. Councillor's Questions

Cllr D. Buckley said there had been a response regarding the fly-tipping that Cllr. A. Whelan had been working on and wanted to congratulate her on her persistence in achieving a brilliant result. He said he thinks she will bring back to council on how to take this forward and whether we deal with this as a parish or pass it on to RBWM. He explained we do have some powers we need to clarify and may be able to start using.

Cllr D. Sanders said parking enforcement in the village still unbelievably sporadic and said we need to keep on at the borough regarding this. Cllr D. Buckley said Cllr A. Whelan was working actively with Cllr Heel and is ongoing.

Cllr I. Thompson said two cars parked on the pavement in front of restaurant causing people to walk in the road. He stressed this is happening at night time and we need to add this as an additional problem if not already. Cllr D. Buckley felt Cllr A. Whelan was already looking into day & night enforcement but will get her to update at the next meeting.

24/234 FLOODING & DRAINAGE

a. Lead Councillors report.

Report circulated.

Cllr I. Thompson added he has received feedback from the EA requesting technical answers to a number of questions in regard to flood defenses in Datchet. He is preparing this to take back to them but has also had to contact Fire & Rescue for some of the information to which he is still awaiting.

b. Councillor's Questions

Cllr S. Young asked if there had been any feedback from the walkabout with the EA in the village in November. Cllr I. Thompson replied he had circulated a report following the meeting to which they have requested further info as outlined above.

Cllr D. Buckley recommended Cllr I. Thompson copy the deputy lead on all correspondence to keep her updated.

Cllr E. Larcombe commented on the repairs at Black Potts and said they cost somewhere in the region of £7m.

24/235 WORKING GROUPS

- a. To receive update for the Datchet Neighbourhood Plan Delivery and Monitoring Group (DMG)
A spokesperson for the DNP/DMG said they had only received one councillor comment back on the Conservation Area guide so will assume they can keep going with it.
- b. Councillor's Questions
Cllr S. Young apologised and said she thought she had replied, but thought the guide was fine.

24/236 COMMITTEES

- a. To receive reports from committees
None
- b. Staffing Committee update
The staffing committee discussed the need for all councillors to make an appointment before visiting the office to help manage the workload and resources effectively. Cllr D. Buckley emphasized the importance of councillors being courteous and considerate of staff time, particularly in light of the current workload. This matter may need to be brought back to the council for further discussion as it was not included on the current agenda.
- c. Councillor's Questions
Cllr M. Davies asked Cllr D. Buckley to clarify what this meant.
Cllr D. Buckley explained he is asking councillors to be fair and courteous to support the office staff and to be mindful of time etc. when calling into the office due to heavy workload.

24/237 PUBLIC QUESTION TIME: (Only for clarification relating to matters discussed on the agenda and limited to 2 minutes a person and 10 minutes maximum total)

Resident 1 asked if we realised how bad the heating was in the hall and said the vent had been blowing cold air all night.

Cllr D. Buckley said engineers had been out to attend to the problem but were coming back out next week to sort it.

24/238 COUNCILLORS QUESTIONS AND COMMENTS

Councillors are requested to use this opportunity to report minor matters of information not included elsewhere on the agenda and to raise items for future agendas.

Cllr C. Wise said we had received two pieces of correspondence critical of DPC about the Wassail event, and had clarification that Sabatini Land is responsibility of the DRCCT. She said after being on the council for a year, she is still uncertain of her responsibilities belonging to a charity and the issue of the DRCCT is still unresolved. She would like to know exactly when this would be addressed.

Cllr D. Buckley said there was no date to address this and is officially down to the DRCCT and Cllr E. Larcombe and Cllr M. Davies to sort and not a DPC matter.

Cllr C. Wise stressed that she had received another code of conduct complaint in relation to DRCCT and had not received a reply to her email when she contacted the Chair of the DRCCT. She said the matter is still outstanding. Cllr D. Buckley advised Cllr C. Wise to take up with the DRCCT to which she replied she had but the Chair does not respond and is not getting anywhere.

Cllr C. Wise asked why DPC were asked to consider an event on DRCCT land. Cllr D. Buckley said the group probably thought it was easier than through DRCCT. Cllr D. Buckley said he has been consistent over the last couple of years that this is not a DPC matter and therefore not the time and place to discuss it.

Cllr E. Larcombe said we need to sort the Football Club lease. Cllr D. Sanders replied it was in hand.

- 24/239** The next parish council meeting will be held on **Monday 10th February 2025**
Noted.

Meeting closed at 8:05pm the Public left the meeting.

24/240 EXCLUSION OF PRESS AND PUBLIC – PART II

The Chairman will move that the Press and Public be excluded from the meeting on the grounds that publicity would be prejudicial to the public interest by virtue of the confidential nature of the business to be transacted.

RESOLVED: The motion was agreed to exclude the Press and Public.

Item: 24/230b

Motion to consider the quotes for the mortuary store refurbishment proposed by Cllr Wise. Three quotes were obtained for the refurbishment of the mortuary store, with a detailed evaluation of each proposal.

RESOLVED: A vote was held to approve the quote from **Worthy Builders** for the amount of **£12,263.00**.

Proposed by Cllr C. Wise, seconded by Cllr D. Loveridge, **UNANIMOUSLY AGREED.**

Part II Meeting Closed at: 8.10 pm

| 24/02936 Full | 42 Lawn Close Datchet Slough SL3 9LA | 2no. front rooflights and 1no. rear dormer to facilitate a loft conversion. | Objection Relevant DNP DAT 2 Design and Character - not in keeping with the street scene. |
| 24/02958 Full | 23 Montrose Avenue Datchet Slough SL3 9NH | Single storey front extension, single storey side/rear extension, rear patio and alterations to fenestration. | No objection subject to reference to Datchet Design Guide and the Datchet Neighbourhood plan both adopted documents for materials and street scene. Relevant DNP DAT 2 Design and Character - Flood Zone 2 |
| 24/02975 Full | 99 Montagu Road Datchet Slough SL3 9DX | Garage conversion, first floor side extension and alterations to fenestration. | Objection as this application would change the street scene as all houses have extended garages and dropped roofs. This would set a new precedent in the road and overdevelopment. Relevant DNP DAT 2 Design and Character - not in keeping with the street scene. DAT 10 Flood Zone 3 |
| 24/03085 Variation Under Reg 73 | Land To The Rear of 45 To 63 London Road Datchet Slough | Variation (under Section 73) of planning permission 22/02737/FULL to vary the wording of Condition 5 (FRA) | Objection as the Environmental Agency are due to release new guidance on flood risk that would impact all planning applications and this condition is being removed knowing these new guidelines are being produced. This condition change should be delayed until after the new EA guidance on flood zones that all local planning authorities are aware of and should avoid risk to life or escape routes from sites like AL39. Datchet Parish Council wishes to object on this basis. The environmental agency are a statutory consultee on this application and referral should be made to them on this change. The text in the Flood risk assessment is asking for flood zone to be moved, even though it flooded in 1947, and the M4 services as a barrier to flood water, flowing north towards the site, when the M4 is already north of the site, the EA to confirm. Residents have mentioned that they have witnessed flooding on this site. |

|---|---|---|---|
| 24/03072 Full | Woollacombe Southlea Road Datchet Slough SL3 9DB | Roof alterations and extension at first floor to provide additional habitable accommodation and alterations to fenestration. | Objection as this property sits adjacent to Windsor Castle and multiple listed and hugely historic buildings which overlook this property and its overdevelopment. If officers are inclined to ignore our objections, we would refer them to the adopted documents of Datchet Design Guide and the Datchet Neighbourhood plan for guidance. The relevant policies are DNP DAT 2 DAT 8 (DAT 6 only applies to LWS). DAT5 Views from the river It is incorrect to say this property is not visible from the Conservation Area. It is visible from Datchet's public riverside garden. It is also very visible from the grounds of Windsor Castle across the Thames. The development at lower ground level, described in the accompanying letter, is also a concern in Flood Zone 3. Unsympathetic addition to the property. |
| 24/03014 Permitted Development Extended | 248 Horton Road Datchet Slough SL3 9HN | Single storey rear extension no greater than 4.24m in depth, 3.10m high with an eaves height of 3.10m. | No objection. The previous application was not built and Prior approval not required, as PD. This application is smaller in size. DAT 2 DAT 10 |
| 24/03168 Full | 23 The Avenue Datchet Slough SL3 9DQ | 1no. side dormer and 1no. rear dormer to accommodate a loft conversion. | Objection as there is no report on the priority habitats and protected and priority species. The proposal is therefore contrary to para. 180 of the NPPF (2023) and Borough Local Plan Policy NR2 (2022). DNP DAT 2 DDG 4 Design Detailing 4.3 Roofs & External Details.
