APPENDIX A

Applications to be considered at the meeting on Monday 9th June 2025

APPLICATIONS RECEIVED

25/01364 Full	5 Elmcroft Datchet Slough SL3 9DS	Single storey front/side extension, new barn hipped roof, raising of the ridge, loft conversion with 3no. rear dormers and alterations to the external finish and fenestration.	Objection – We would like to see the applicant keep the roof line as relevant DNP DAT 2 and DAT 10 The property sits within Flood Zone 3 and no separate flood risk assessment shown in the application. There are real concerns the rear dormers would overlook directly onto the adjacent property and affect the level of natural light to No.4
25/01417 Cert of Lawfulness of Proposed Dev	Northfield Lodge 82 Slough Road Datchet Slough SL3 9AG	Certificate of lawfulness to determine whether the proposed single storey rear extension following demolition of existing elements is lawful.	No objection - Relevant DNP DAT 2 and DAT 10 Flood Zone 3. Permitted Development
25/01484 Advertisement	Land To The Rear of 45 To 63 London Road Datchet Slough	Consent to retain 1 no. non illuminated post mounted sign.	No Objection as application due to ENF - 25/50095/ENF
25/01507 Cert of Lawfulness of Proposed Dev	49 Slough Road Datchet Slough SL3 9AL	Certificate of lawfulness to determine whether the proposed outbuilding is lawful.	Objection - The application site is located within Flood Zone 3 where there is a high risk of flooding. A site-specific Flood Risk Assessment has not been submitted with the application which demonstrates that the proposal would not lead to an increase in flood risk. For this reason, the proposal is contrary to Policy DAT10 of the Datchet Neighbourhood Plan, Policy NR1 of the Borough Local Plan and paragraph 167 of the NPPF. Without the required information the Local Planning Authority is unable to properly assess the impact of the proposal on the amenities of neighbouring properties. As such, the proposal is contrary to Policy DAT2 of the Datchet Neighbourhood Plan and Policy QP3 of the Borough Local Plan.
25/01583	Land To The Rear of 45 To 63 London	Variation (Under Section 73) of planning permission	Objection - Relevant DNP DAT 2 and DAT 10. This development sits in

Variation Under Reg 73	Road Datchet Slough	22/02737/FULL to vary the wording of Condition 5 (Flood Risk Assessment And Drainage Strategy).	Flood Zone 3 and these changes need the highest level of scrutiny to secure this site from flooding and any changes need to be called into the planning panel for scrutiny.
25/01428 Discharge of Condition	Land To The Rear of 45 To 63 London Road Datchet Slough	Details required by Condition 9 (Archaeological report) of planning permission 22/02737/FULL for the construction of 80 dwellings with associated access, open space, landscaping and other infrastructure.	No objection - Archaeological report completed
25/01456 Full	Northfield Lodge 82 Slough Road Datchet Slough SL3 9AG	Single storey rear /side extension following demolition of existing elements.	Objection - Relevant DNP DAT 2 and DAT 10 This property sits in Flood Zone 3 and no flood risk assessment has been supplied with the application.. However if a flood risk assessment was supplied the council would have no objection with this application but remains consistent on required documents relating to a flood zone.
25/01470 Full	12 Ditton Road Datchet Slough SL3 9LR	Single storey rear/side extension.	Objection – Loss of natural light to the adjoining property. If the applicant was minded to use a lower pitch of flat roof as set out in the relevant DNP policies are DAT 2 (Design and Character) and DAT 10 (Flooding, Drainage) the council would not object to this application change.
25/01586 Full	24 Fairfield Avenue, Datchet, SL3 9NQ	Part single, part two storey, part first floor side/rear extension and alterations to fenestration	Objection - The proposal, by virtue of its layout, rhythm and density, would appear cramped and would be out of keeping with the character and appearance of the site itself and the locality in general, contrary to policy QP3 set out in the Borough Local Plan (adopted February 2022) and neighbourhood plan policy DAT2 set out in the Datchet Neighbourhood Plan and design principles 9.2 and 9.3 set out in the Borough Wide Design Guide SPD.
