This application would result in the loss of the distinctive 'keyhole' entrance. ""The proposed development, by virtue of its scale, siting, form and reduced spacing to the side boundary, would appear incongruous within the street scene, resulting in a loss of spaciousness and would not respond positively to the character of the local area. As such the proposal fails to comply with RBWM Local Plan Policy QP3, Principle 10.1 of the BWDG, and Section 12 of the NPPF. The application fails to provide accurate plans which are representative of the existing dwelling. Furthermore, the plans fail to indicate the relationship with neighbouring properties. In the absence of accurate and detailed plans, the Local Authority is unable to fully assess the impact of the proposal in terms of its design and proportions, and the impact on neighbouring amenity. The proposal would therefore fail to comply with Local Plan Policy QP3.
