25/296 APOLOGIES AND ANNOUNCEMENTS

Apologies for absence were received from: Cllr. I. Thompson and Cllr. I. Bacon due to personal reasons.

Absent without apologies: Cllr A. Clemens.

25/297 PUBLIC QUESTION TIME

Resident 1 - Raised item 25/302/h, noting its relevance to the public and to Councillors under Datchet Parish Council's environmental policies. Two concerns were highlighted:

i) Since Cllr S. Glover's departure, community nature projects appear to have stalled. They asked whether another Councillor could take on responsibility for sustainability work.

ii) They requested that a new groundsman be appointed, as the Orchard is not being maintained in line with its intended vision and paths have been mown incorrectly. Several trees have also been damaged.

The Chair confirmed the Council's full support for ongoing environmentally aware projects and encouraged Councillors to consider taking on the sustainability role.

ACTION: Clerk to contact all Councillors to seek a volunteer for sustainability projects.

Deputy Clerk to liaise with Cllr I. Thompson and the grounds-man to address tree and pathway damage.

Resident 2 - Expressed concern about the future of the village's only remaining pub and asked the Council to note their support for Cllr D. Sanders' paper. They also highlighted the strong resident turnout at short notice.

The Chair confirmed the Council's support for preserving the pub and willingness to assist where appropriate. The Chair then introduced the Chairman of BBHT.

Speaker – Chairman of BBHT Declared their position as Chairman of Barker Bridge House Trust, the charity that owns the Royal Stag. Advised that trustees have not yet met to discuss motion 25/302/f, but Cllr I. Bacon has circulated a summary to Councillors. BBHT's priority is to secure a financially stable tenant to help the pub thrive while continuing to support local causes, to which the charity has contributed £1.6m since 1962. They are not considering alternatives to

retaining the Stag as a pub. Two specialist advisers have confirmed that the strong expectation is to re-let it as a pub. Concern was raised that an ACV application could reduce the charity's income and would only apply for six months. The tenant-search process began in March. The Chair thanked BBHT for attending and noted that this matter will be discussed further under item 25/302/f.

Resident 4 Declared they are the owner of the property involved in a long-standing complaint regarding the tree at 126 Horton Road. Stated they would have resolved the issue earlier had they known the land was not owned by Datchet Parish Council and asked for some discretion. The Chair confirmed this matter is listed under item 25/302/d.

Resident 5 Stated they no longer support the Stag due to unacceptable behaviour last year. Requested an update on LTN and wider traffic and parking issues, noting no recent information had been received. The Chair advised that an update will be provided under item 25/310 (Highways).

The Chair thanked residents for their attendance, welcomed the strong turnout, and encouraged the community to attend future meetings to stay informed about the Council's work.

25/298 DECLARATION OF INTERESTS

Cllr E. Larcombe - Declared an interest in DRCCT as its Chairman.

Cllr D. Sanders - Declared an interest in item 25/302/f. Advised that, as a resident, he had sought advice from a specialist brewery which recommended applying for an Asset of Community Value, leading to the motion. Confirmed to the Chair that he remains open-minded on the matter.

25/299 MINUTES

To agree that the minutes of the Parish Council meeting held on **09th March 2026** be signed by the Chairman as a true record.

RESOLVED: The Chairman signed off the minutes as an accurate representation of the meeting.

- b. To review and approve the Asset Register up to 31st March 2026 – Chairman to sign the paper. Cllr. E. Larcombe sought clarification which assets were DRCCT. Chair advised that Datchet Parish Council and DRCCT were separate entities and consistent and transparent with their approach. Clerk clarified the register references DRCCT and Datchet Parish Council where appropriate.

RESOLVED: The Asset Register was approved and signed. Proposed by Cllr. D. Buckley, seconded by Cllr. C. Wise, and **AGREED by majority vote** (one against and 2 abstentions).

- c. To approve annual leave, carry over for the Clerk. (Cllr.C.Wise) (paper)

RESOLVED: The annual leave carry over was approved. Proposed by Cllr. C. Wise, seconded by Cllr. D. Loveridge and **UNANIMOUSLY AGREED.**

- d. Formal Complaint - To consider actions re the tree on the redundant ditch (Cllr. I. Thompson) (paper)

The Chair noted that Cllr I. Thompson was absent and that the paper had been circulated. The Chair advised there are no records showing the tree is a statutory responsibility of Datchet Parish Council, and no documentation of past involvement; any previous works appear to have been carried out in goodwill.

Cllr E. Larcombe noted that a previous attempt by the last house on Horton Road to build on the ditch had resulted in a court case, and reiterated that the ditch forms part of the land-drainage infrastructure. He added that there is no access to the ditch as no gate was ever installed, although the Parish has previously cleared the ditch and carried out tree works there.

Cllr C. Wise noted that the paper outlined two options: i) appoint an independent boundary expert, or ii) confirm the matter is not a statutory responsibility of the Parish Council.

Cllr A. Whelan supported continuing a goodwill approach rather than commissioning an expert at a cost of £900–£2,000.

The Chair summarised three options: 1) decline responsibility, 2) appoint an independent expert, or 3) defer to the next meeting.

The Clerk reported that advice from the RBWM Flood Team and LEA confirms one ditch falls under ABRI and homeowners on Horton Road and the other under Datchet Parish Council, both subject to riparian ownership.

RESOLVED: It was agreed to approve appointment of an independent boundary expert.

Proposed by Cllr. E. Larcombe, seconded by Cllr. A. Whelan and **UNANIMOUSLY AGREED.**

ACTION. Clerk to appoint an independent boundary expert to investigate and bring back to council.

- e. To consider providing feedback and comments on the Parish Council Consultation on “Public Rights of way milestones 2026-27” from RBWM.

Cllr. E. Larcombe commented that there was no mention of Black Potts. No other comments.

ACTION: Clerk to forward feedback to RBWM.

- f. To consider whether Datchet Parish Council should apply for an Asset of Community Value (ACV) designation for The Royal Stag. (Cllr. D. Sanders) (paper)

Cllr D. Sanders highlighted point 9 of Cllr I. Bacon’s email regarding potential compensation risks to Datchet Parish Council if an ACV application did not proceed. He confirmed he was acting as a resident and, following advice from a local brewery, had brought the ACV proposal forward as a safeguarding measure. It was acknowledged that BBHT has only recently begun the process of seeking a new tenant.

Councillors raised several points:

i) whether an ACV would restrict a future sale and what alternatives exist without one;

ii) clarity on the ACV process and RBWM’s decision-making;

iii) potential commercial impact;

iv) the extent of Datchet Parish Council’s responsibility;

v) the need to follow due process once responsibilities are confirmed;

vi) that it may be premature to comment.

The Chair suggested amending the motion to allow BBHT time to meet with relevant parties. It was noted that the pub is now freehold and leases expire in September. The Chair confirmed

that an Extraordinary Meeting could be called with five days' notice if required. BBHT thanked the Council for its support.

Cllr C. Wise proposed deferring the motion until BBHT had held its internal meeting and the matter could return to Council. Seconded by Cllr A. Whelan. **Vote: 2 in favor, 10 abstentions – motion failed.**

An amendment to the motion was then proposed by Cllr D. Sanders: ***That DPC consider applying for an Asset of Community Value (ACV) designation for The Royal Stag, with any decision to activate or proceed with an ACV deferred until BBHT has met with the relevant parties and the matter is brought back to Council for further debate.*** This was seconded by Cllr E. Larcombe. **Vote: 10 in favor, 2 abstentions – motion passed by majority.**

- g. To consider the request from Thames water re Ground water Investigation at the Recreation Ground.

Clerk noted Thames Water have regulatory power. The Chair read the letter from Thames Water and agreed this is satisfactory and is part of the Water Industry National Programme due by April 2027 and mandated by the regulator.

ACTION: Clerk to respond to Thames Water to authorise the investigation.

The Chair reminded Councillors the vote is only on the planning addendum and not reinforcements.

RESOLVED: A vote was taken and the recommendations were approved. This was **UNANIMOUSLY AGREED – See Appendix A**

- b. Update on AL39 – Cllr. D. Buckley

An extension has been granted until 15th May for the specialist and legal teams to confirm whether the outstanding condition has been met. If confirmed, development may proceed. The Chair reiterated that this was not on the agenda and therefore not for discussion.

Cllr A. Buck requested clarification on his exclusion from Part II at the previous meeting and was advised this was due to a conflict of interest arising from his relationship with a member of the Council who has taken legal action against the Parish Council.

In addition to what you've already noted, the plans show the garage area being used as a gym and home office but that's not what the photos on AirBnB show! https://www.airbnb.co.uk/rooms/24018835 , where it's described as a self-contained studio flat with private entrance. The whole point about building those houses at a higher level was for flood protection so using the lower level for habitable rooms can't be a good idea. (The FRA doesn't seem to mention floor levels other than suggesting plug sockets should be "above typical floor level" and the floors should be easy to clean in case of flooding!)
