**MINUTES OF THE COUNCIL MEETING OF DATCHET PARISH COUNCIL HELD IN THE WI HALL ON
MONDAY 10TH AUGUST 2026 AT 7.00PM**

Present: (10 Members) Cllr. D. Buckley (Chairman), Cllr. S. Young (Vice-Chair), Cllr. C. Wise, Cllr. E. Larcombe, Cllr. I. Bacon, Cllr. M. Davies, Cllr. I. Thompson, Cllr. D. Sanders, Cllr. B. Picot, Cllr. A. Buck

In attendance: Deputy Clerk - Mrs. H. Glanville

Borough Councillors: Cllr. D. Buckley and Cllr. E. Larcombe

Public: There were 5 members of the public present.

No Recording of this meeting was possible as no equipment was available

26/93 APOLOGIES AND ANNOUNCEMENT

Apologies for absence were received from Cllrs. A. Whelan, A. Clemens and D. Loveridge, No apologies were received from Cllrs. P. Burden and T. O'Flynn.

Cllr. Young acted as acting Chair for this meeting.

26/94 PUBLIC QUESTION TIME

Resident 1: Raised concerns regarding the blocked culvert at Penn Road, the drainage infrastructure and the proposed parish-wide hydrology work.

It was confirmed that the next RBWM Flood Forum meeting was expected to take place in September and that the Penn Road/culvert issue should be included for consideration.

The proposed hydrology work was discussed. It was explained that discussions with the hydrologist were at an early stage and that the initial work would establish the scope and requirements of a parish-wide hydrology assessment.

ACTION: Deputy Clerk to forward fee proposal breakdown of the proposed hydrology report to Resident 1.

Resident 2: Raised the issue of whether the Council should investigate directly employing grounds-maintenance staff rather than relying solely on contractors. It was confirmed that this remained under consideration but that a detailed review would not be completed for the current year budget-setting process due to workloads and priorities

A request was also made for greater opportunities for residents to suggest matters for future Council agendas.

The acting Chair advised that residents could approach the Parish Office and/or the relevant lead councillors so that requests could be considered through the appropriate process.

26/95 DECLARATION OF INTERESTS

None

26/96 MINUTES

- a. To agree that the minutes of the Council meeting held on 13th JULY 2026 be signed by the Chairman as a true record.**

RESOLVED: The acting Chair signed off the minutes as an accurate representation of the meeting. Proposed by Cllr. S Young and seconded by Cllr. D. Buckley and **AGREED by majority vote** (one abstention).

- b. To agree that the minutes of the Extraordinary Council meeting held on 27th JULY 2026 be signed by the Chairman as a true record.**

Concerns were raised regarding the accuracy and context of parts of the minutes of the extraordinary meeting held on 27 July 2026, including references to recording equipment and ongoing legal proceedings.

RESOLVED: The Vice - Chair signed off the minutes as an accurate representation of the meeting. Proposed by Cllr. S. Young and seconded by Cllr. D. Buckley and **AGREED by majority vote** (two against and two abstentions)

26/97 MATTERS ARISING

Cllr. Davies wished it to be noted that if anybody has a grievance against a member of the Parish Council, the correct procedure is to Councilor report it to the RBWM Monitoring Officer.

Cllr. Wise advised employment law is completely separate from Councilor code of conduct grievances and stated that under the employment law, DPC have a duty to protect staff from bullying and harassment in the workplace.

26/98 GENERAL

- a. Chairmans report – none available**

26/99 PLANNING

- a. To consider and agree responses to planning applications and any planning appeals listed on the attached planning addendum, and to note planning decisions received. [APPENDIX A](#)**

RESOLVED: Proposed by Cllr. D Buckley and seconded by Cllr. S. Young and **UNANIMOUSLY AGREED.**

- b. Other planning matters, including any new**

- i. 106 Allocations**

None.

ii. Enforcement Matters

The continuing position regarding AL39 was noted, including potential legal action and associated planning and enforcement matters. The Council noted expenditure relating to legal advice concerning AL39, including barrister's advice on the prospects of judicial review (JR). Further potential expenditure associated with a pre-action letter would return to Council for public consideration, scrutiny and approval.

It was agreed that information concerning outstanding enforcement issues should be brought back for review at the September Council meeting.

ACTION: Clerk to ensure Enforcements are documented in September meeting.

26/100 FINANCE

a. To approve income and expenditure up to 7th AUGUST 2026

RESOLVED: The Income and expenditure were approved and signed. Proposed by Cllr. D. Buckley and seconded by Cllr. S. Young and **UNANIMOUSLY AGREED** **APPENDIX B**

b. AL39 –To note the following proposed expenditure for barristers' advice on current position of our case and the case prospects for a JR £4,400 + vat. To also note, additional costs to issue a pre-action letter approximately £4,400 + VAT, which will be brought back to Council and public for debate, scrutiny and approval.

Noted.

c. To approve that all income received from Council owned/managed property be allocated to an Earmarked Reserve for future property-related matters. Cllr D Sanders.

RESOLVED: Proposed by Cllr. D. Sanders and seconded by Cllr I. Bacon and **UNANIMOUSLY AGREED**

d. To approve the remedial works to re-erect memorials at the cemetery at a cost of £3,660, with funds allocated from the Norris Cemetery Fund. Cllr Wise (Paper)

RESOLVED: Proposed by Cllr. C. Wise and seconded by Cllr. D. Sanders and **AGREED by majority (one abstention)**

It was clarified that this was a specific exercise and that any similar future expenditure would be considered on its own merits and brought to Council for approval.

e. To approve the migration of the Council's existing accounting software to the supplier's cloud-based platform, at an annual cost of £3,004.

Current annual cost: £2,586.00 (Paid for 26/27)

Additional annual cost: £418.00

RESOLVED: Proposed by Cllr. S Young and seconded by Cllr. D Buckley and **UNANIMOUSLY AGREED**

Members also requested consideration of the Council's backup arrangements and business-continuity planning.

ACTION: Clerk to review Backup/Business Continuity arrangements with Cllr. B Picot

f. To consider and approve a hydrologist report and survey with a quotation of £4,720. Cllr I. Thompson. (paper)

Discussion clarified that this expenditure related to an initial scoping exercise, rather than the production of the final hydrology report. The proposed work would consider the whole parish and establish the requirements for any subsequent hydrological assessments required, drawing together existing information concerning streams, watercourses, drainage and areas at risk of flooding.

RESOLVED: To approve the £4,720 expenditure for the initial scoping phase. Proposed by Cllr I. Thompson and seconded by Cllr E. Larcombe and **UNANIMOUSLY AGREED.**

NOTE: Further work and expenditure arising from the scoping exercise would require subsequent consideration by the Council.

- g. The “Datchet Splashers” swimming group have requested permission to replace the damaged river ladder at Riverside Park, Datchet. They have offered to part-fund the replacement and have asked whether Datchet Parish Council would be willing to fund the remaining amount.

Cllr I. Thompson. (paper)

Following discussion, members agreed that the Council was responsible for providing the river access and that permanent steps should be considered in place of a replacement ladder.

The amended motion was put forward.

Datchet Parish Council accepts responsibility for replacing the steps at Riverside Park

RESOLVED: That Datchet Parish Council accepts responsibility for replacing the steps at Riverside Park. Proposed by Cllr. I. Thompson and seconded by Cllr. M. Davies and **UNANIMOUSLY AGREED.**

ACTION: Obtain an appropriate specification and quotation and return the matter to a future Council meeting for approval of the cost. Possible alternative funding sources, including the Datchet Hall Endowment Fund, should also be explored.

- h. Councillors’ questions

None.

26/101 ADMINISTRATION

- a. To approve the completed Royal Borough of Windsor and Maidenhead Infrastructure and Services Questionnaire on behalf of Datchet Parish Council and submit it to RBWM, as completed by Cllr Picot. **(Paper)**

The draft RBWM infrastructure and services questionnaire was considered.

It was agreed that councillors should review the document and provide comments before it was submitted.

ACTION: Councillors to provide feedback on the draft questionnaire, with the matter to return to the September meeting

26/102 BOROUGH COUNCILLOR’S REPORT:

Updates were provided on wider Borough financial pressures, including debt, financing costs and asset disposals.

Members also discussed the River Thames Scheme, its funding and progress, together with concerns about the future delivery of flood-risk-management infrastructure.

The proposed disposal of Thames Water-owned land was discussed, including its possible implications for local water and flood-management issues.

26/103 PUBLIC QUESTION TIME:

The proposal to investigate directly employing grounds-maintenance staff was raised again.

It was confirmed that the matter remained under consideration and would require a detailed assessment of the potential role, job description, costs and comparison with the existing contractor arrangements

26/104 COUNCILLORS QUESTIONS AND COMMENTS

Members requested a review of the Council's financial expenditure/delegation thresholds, with concern expressed that existing limits could delay routine works.

ACTION: Clerk and Vice Chair to ensure financial thresholds to be considered through the forthcoming finance/budget process.

Concerns were also reported regarding recent incidents, threats and operational difficulties at the cemetery.

Members discussed the need to protect staff and councillors, maintain appropriate control of the cemetery and review existing cemetery and funeral regulations.

ACTION: Clerk and Lead of Cemetery Proposals concerning cemetery management, regulations and staff safety to be brought to the September Council meeting.

The Council also confirmed that the matter concerning the inclusion of relevant asset values in the financial statement had been submitted to the external auditor.

26/105 DATE FOR THE NEXT MEETING

The date of the next meeting will be **MONDAY 14th SEPTEMBER 2026**

Meeting closed at 8.35pm

No objection

26/01265 FULL	107 Slough Road Datchet Slough SL3 9AQ	Single storey rear extension and alterations to fenestration following demolition of existing rear element and 1no. chimney.	Objection as plans are incomplete to make any recommendation and until suitable plans are presented showing all existing elevations and space we would not be able to suspect neither would officers on what has been presented. This property clearly sits in Flood Zone 3 DAT10 DAT2 and full details are important to make decisions on these applications. In particular there is no evidence on proposed front elevations, which is the key element missing from the application and on this basis the application should be refused.
26/01527 Works To Trees Covered by TPO	35 Montagu Road Datchet Slough SL3 9DT	Works To Trees Covered by TPO Proposal: (T1) and (T2) Limes - remove suckers and epicormic growth to a height of 3.5m above ground level. No objection, subject to Arboriculture specialist
26/01609 Cert of Lawfulness of Proposed Dev	26 Lawn Close Datchet Slough SL3 9JZ	Certificate of lawfulness to determine whether the proposed hip to gable and 1no. rear dormer following the removal of the existing chimney is lawful.	Objection - The Council of the Royal Borough of Windsor and Maidenhead certifies in accordance with Section 192 of the Town and Country Planning Act 1990 (as amended by Section 10 of the Planning and Compensation Act 1991) that on 1st July 2026 the development above in respect of the land as defined by edging/hatching/labelling on

			the plan attached to this certificate would not be lawful within the meaning of Section 192 of the above Act for the following reasons: The proposals include the removal of a chimney stack. The removal of a chimney stack is not included in the wording of Classes B and G, Part 1, Schedule 2 of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended). As such, the proposal cannot be assessed against Classes B and G on that basis or be relied upon to justify the proposed works. Therefore, the proposal is not lawful and would require an express grant of planning permission.
26/01386 FULL	26 Montagu Road Datchet Slough SL3 9DJ	Single storey side and rear extension to replace existing	No objection subject to relevant DNP DAT 2 and DAT 10 Flood Zone 3 DDG 3
26/01508 Legal Agreement - Modification/Discharge	Land To The Rear of 45 To 63 London Road Datchet Slough SL3 9JY	Discharge of planning obligations under Schedule 3 Clause 1.1 and 1.6 of the S106 Agreement in regards to planning permission 22/02737/FULL	Objection but this could be mitigated if the recent concerns raised by the parish council and in particular shydrologist pecialists and the pre-action letter are taken under review at RBWM. This developemnt should be stopped until all concerns are taken into consideration and all parties agree a way forward for this development.
26/01568 Works To Trees In Conservation Area	1 Queens Road Datchet Slough SL3 9BN	T1 - Bay - fell.	Objection – We would require a replacement tree(s) of suitable size and benefit to review this objection. Trees should not be felled for aesthetic reasons alone. If it is affecting structures, as suggested we will require suitable mitigation proposals to save the tree and protect the structure before changing our objection, just an

			individuals opinion is not weight enough to fell established trees. This is not reason enough to fell an established tree in the historic conservation area of Datchet. The Council of the Royal Borough of Windsor and Maidenhead has NO OBJECTION to the above tree works as detailed in the notification submitted by you on the above date. The works must be completed within 2 years from the date of your notification in order to comply with Section 211(3) of the Town and Country Planning Act 1990. In the event of the works not being completed by that date, further notification to the Local Planning Authority will be required. You are advised that this notice is in respect of the Conservation Area only and it does not imply that consent would be forthcoming from the owner of the tree or any such other person from whom consent would be required. A tree may provide a habitat for plants and wildlife protected under the Wildlife and Countryside Act 1981 and other legislation. Trees with hollow crevices, for example, provide important natural roost sites for many bat species covered by the 1981 Act. Anyone proposing to carry out work on a tree which may be used as a roost site for bats or by other protected species should first consult Natural England, www.gov.uk/government/organisations/natural-england email: enquiries@naturalengland.org.uk tel. 0300 060 3900. Works to trees during the nesting season (generally March – August) may
--	--	--	---

			result in disturbance to nesting birds. All birds nests that are either in use or being built, eggs and chicks are protected by the 1981 Act. You are advised that all works should be carried out in accordance with British Standard 3998:2010 'Tree Work - Recommendations'. This is to safeguard the health and visual appearance of the tree(s) and to ensure the works are carried out in a safe and controlled manner. Contact BSI Buying Standards Customer Services on 020 8996 9001 or via their website at www.bsi-global.com. Advice on how to select a tree contractor can be found at https://www.rbwm.gov.uk/planning-and-building-control/tree-management/how-select-arboricultural-contractor. The Arboricultural Association has a directory of approved tree surgeons at https://www.trees.org.uk/ARB-Approved-Contractor-Directory. There is very little structural greenery in the vicinity which is mainly comprised of buildings and hardstanding. In order to sustain the already limited greenery and help to soften the built form, it would be desirable to plant a replacement tree. A native tree such as a Holly (<i>Ilex aquifolium</i>) or Hawthorn (<i>Crataegus monogyna</i>) would be positive for biodiversity. A small fruit tree may also be suitable. A tree should be planted in an open area as possible where it has space to grow. Benefits that trees provide are social, economic and environmental, further information can be found at https://www.rbwm.gov.uk/planning-and-building-control/tree-management/how-select-arboricultural-contractor.
