

**MINUTES OF THE COUNCIL MEETING OF DATCHET PARISH COUNCIL HELD IN THE WI HALL ON
MONDAY 14TH SEPTEMBER 2026 AT 7.00PM**

Present: (11 Members) Cllr. S. Young (Vice-Chair), Cllr. C. Wise, Cllr. E. Larcombe, Cllr. M. Davies, Cllr. I. Thompson, Cllr. D. Sanders, Cllr. B. Picot, Cllr. T. O'Flynn, Cllr. P Burden, Cllr D. Loveridge, Cllr. A. Whelan arrived at 7.15pm

In attendance: Clerk – Mrs S. Masikito Deputy Clerk - Mrs. H. Glanville

Borough Councillors: Cllr. E. Larcombe

Public: There were 6 members of the public present.

No Recording of this meeting was possible as no equipment was available

26/112 APOLOGIES AND ANNOUNCEMENT

Apologies for absence were received from Cllrs. D. Buckley and I. Bacon.
It was noted that Cllr. A. Whelan would arrive late.

Absent without apologies Cllrs. A. Clemens and A. Buck

Cllr Young acted as Chair for the duration of the meeting.

26/113 PUBLIC QUESTION TIME

Resident 1: raised concern about legal expenditure and the previous increase in the parish precept, seeking reassurance about the forthcoming budget.

The Chair advised that the budget process was beginning, finance meetings would be public and the Council also did not want a large increase in the precept.

Resident 2: Questions were raised regarding the AL39 judicial review, including:

- the possibility that, even if the judicial review succeeded, the Borough might subsequently reach the same decision after correcting any procedural deficiencies;
- the amount of Council reserves that could prudently be committed to the proceedings;
- the minimum level of reserves that the Council intended to maintain;
- whether a financial ceiling should be imposed on expenditure relating to the proceedings; and
- the Council's maximum potential financial liability, including legal and expert-witness costs.

The Chair acknowledged that the Borough could potentially reach the same decision following a successful judicial review. It was reported that a review of general and emergency reserves was being undertaken. The Council would also consider whether a ceiling should be placed on expenditure.

The Clerk reported that she had spoken with the legal team and expected to receive information that could be made public, including the barrister's statement of facts. The Council intended to provide further answers to residents when this information became available.

ACTION: Clerk to provide information to the public when available

Questions were provided by a resident who were unable to attend the meeting concerning item 26/119 c regarding the maximum financial liability arising from the judicial review.

The Council advised that this was not yet known but that an estimate would be sought and reported. A further question from the same resident on agenda item 26/119 b concerned the payment of invoices.

The Clerk explained that the existing Financial Regulations already permitted earlier payments in certain circumstances. The proposed arrangements were intended to ensure transparency regarding payments to smaller suppliers and did not override or amend the existing regulations.

26/114 DECLARATION OF INTERESTS

None

26/115 MINUTES

- a. To agree that the minutes of the Council meeting held on 10th AUGUST 2026 be signed by the Chairman as a true record.

RESOLVED: The acting Chair signed off the minutes as an accurate representation of the meeting. Proposed by Cllr. S Young and seconded by Cllr. C. Wise and **AGREED by majority vote** (one abstention).

26/116 MATTERS ARISING

Cllr. C Wise discussed the proposal concerning steps at the riverfront. Concerns were raised regarding public safety; the risk associated with unsupervised access to open water and the Council's potential liability.

Cllr I. Thompson reported that a survey of the riverfront had been undertaken. The former steps could not be reinstated because they had been enclosed by the subsequent riverfront works.

ACTION: Clerk to ensure any future proposal is to take appropriate account of risk, health and safety and liability considerations and is to be brought back to Council before proceeding.

26/117 GENERAL

- a. Chairmans report – none available
b. Clerks report – none available but was it was noted that the office team was back at full strength.

26/118 PLANNING

- a. To consider and agree responses to planning applications and any planning appeals listed on the attached planning addendum, and to note planning decisions received. **APPENDIX A**

Members considered the planning applications and appeals contained in the planning addendum. During discussion, concerns were raised that wording referring to the judicial review was not relevant to three of the applications/conditions under consideration.

It was agreed that the relevant wording should be removed from all three responses before submission.
RESOLVED: Proposed by Cllr. C. Wise and seconded by Cllr. D. Sanders and **UNANIMOUSLY AGREED.**

b. Other planning matters, including any new

- i. 106 Allocations
None.

ii. Enforcement Matters

No additional planning matters were reported, save for enforcement matters previously raised which are due to be revisited in November.

ACTION: Clerk to ensure Enforcements are documented in November meeting.

26/119 FINANCE

a. To approve income and expenditure up to 11th SEPTEMBER 2026

RESOLVED: The Income and expenditure were approved and signed. Proposed by Cllr. S. Young and seconded by Cllr. C. Wise and **AGREED by majority (one abstention)** **APPENDIX B**

b. To approve that all upcoming expenditure relating to AL39 be met from General/Emergency Reserves with a summary of costs to be reported back to Council at the next available meeting, subject to legal privilege.

It was noted that further analysis of reserves was required.

RESOLVED: Proposed by Cllr. S. Young and seconded by Cllr. B. Picot and **AGREED by majority (two abstentions)**

c. To delegate authority to the Clerk, in consultation with the Chair, to approve all necessary expenditure and actions relating to the AL39 Judicial Review, with decisions and costs reported back to Council at the next available meeting, subject to legal privilege.

RESOLVED: Proposed by Cllr. B. Picot and seconded by Cllr. A. Whelan and **AGREED by majority (two abstentions)**

d. To note that the flagpole on Memorial Green was deemed unsafe and beyond repair, and that a quote for the installation of a new flagpole at a total cost of £2,290.75 has been approved under delegated authority.

The Council noted that the flagpole on Memorial Green had been deemed unsafe and beyond repair. A quotation of £2,290.75 for the installation of a replacement flagpole had been approved under delegated authority. It was also noted that a new flag had been obtained.

e. To approve that interim payments to small businesses/supplier may be made between Council meetings where necessary to ensure continuity of service, with all such payments recorded and reported to Council on the payment sheet at the next available meeting.

RESOLVED: Proposed by Cllr. C. Wise and seconded by Cllr. D. Loveridge and **UNANIMOUSLY AGREED**

Councillor's Questions

Cllr. E. Larcombe requested that Council receive details of suppliers or other parties whose invoices remained unpaid, together with the reasons for non-payment.

ACTION: Clerk to provide a list of outstanding/unpaid payments and the reasons for non-payment is to be presented at the next meeting.

Cllr E. Larcombe asked for expenditure made relevant to the DRCCT Issue.

ACTION: Clerk to provide the relevant information at the next Council meeting

26/120 ADMINISTRATION

- a. **To consider and approve the appointment of Mulberry Local Authority Services Ltd as the independent and suitably qualified Internal Auditor for the 2026/27 financial year.**

RESOLVED: Proposed by Cllr. C. Wise and seconded by Cllr. S. Young and **UNANIMOUSLY AGREED**

- b. **To approve the updated Royal Borough of Windsor and Maidenhead Infrastructure and Services Questionnaire on behalf of Datchet Parish Council and submit it to RBWM by the 15/09/26 (*Paper*)**
Chair thanked Cllr. B Picot for collating the thorough report and all who had contribution.

RESOLVED: Proposed by Cllr. S. Young and seconded by Cllr. B. Picot and **UNANIMOUSLY AGREED.**

ACTION: Clerk to submit completed questionnaire to RBWM on 15/09/26

- c. **To note the 2026/27 National Salary Award for Clerks and staff employed under the NJC model contract, and that the National Joint Council for Local Government Services has agreed the new pay scales for implementation from 1 April 2026.**

The Council noted the 2026/27 national salary award for clerks and staff employed under the NJC model contract, effective from 1 April 2026.

- d. **To consider submitting an application to the Police Crime Commissioner Community Fund for a grant of £10,000, noting that the application window runs from 8th September to 28th September, and to determine the preferred project for submission, choosing between:**

RESOLVED: The Council approved the submission of two separate applications to the Police and Crime Commissioner's Community Fund, each for £10,000 — one for the replacement of the library windows and one for an automated enforcement camera — noting that the application window runs from 8 September to 28 September.

Proposed by Cllr C. Wise, seconded by Cllr A. Whelan, and **UNANIMOUSLY AGREED.**

ACTION: The Parish Office to submit both applications before the deadline.

26/121 BOROUGH COUNCILLOR'S REPORT:

Cllr E. Larcombe, The Borough Councillor reported member questions submitted for the forthcoming Borough Council meeting concerning traffic and parking in Datchet, Horton and Wraysbury and the Public Spaces Protection Order relating to catapults. A motion had also been submitted asking the Borough to consider extending the catapult-related PSPO across the borough.

An incident involving motorcyclists on the recreation ground was reported. An update was also given following a Regional Flood and Coastal Committee meeting, including concerns about progress on major flood schemes and an intention to make further representations.

26/122 GROUNDS

a. Lead Councillors report

No report was available but Cllr. D. Loveridge gave a verbal report. Recent work had focused on the riverfront. Proposals were being developed for refurbishment of seating, including replacement of a damaged seat/base and consideration of durable replacement slats. Any proposal requiring approval would return to Council.

The current grounds lead announced that he was standing down from the lead role while remaining willing to provide background assistance. Members discussed the scale of the operational workload and its impact on the office.

ACTION: Clerk/Finance Committee as part of the budget process, consider a sustainable grounds-management model, including the possibility of an employed in-house grounds person/head of grounds or another suitable arrangement.

Clerk advised that responsibility for North Green kerbstones remained under discussion with RBWM. Further ideas for Mays Island would also be considered.

ACTION: Cllr I. Thompson to discuss Mays Island next steps with Cllr. A Whelan

b. Councillor's questions

26/123 CEMETERY

a. Lead Councillors report (*paper*)

Cllr C. Wise highlighted a few main issues from the report. It was advised that the police have dropped the case of public order but following a NAG meeting the police advised if any public order events happened at the Cemetery it was advised to call 999. Continuing difficulties with cemetery grounds contractors were reported, including unsatisfactory grass cutting and incomplete hedge work. During the autumn budget process, the Council would consider whether cemetery work should be separated from the wider grounds contract.

b. To consider and approve the appointment of Contractor A, B, or C, and the associated quotations, for the installation of a tarmac path in the cemetery between Areas D and E, to be funded through the Norris Beneficiary Funds earmarked for the cemetery. Cost Code 7303 (Paper) – Cllr Wise

The Council considered quotations for a tarmac path between cemetery areas D and E, funded from the Norris Beneficiary Fund earmarked for the cemetery. The recommended quotation was identified in discussion as Company A at £8,400. Construction depth, suitability for digger access and the relative merits of tarmac and paving were discussed.

RESOLVED: The recommended A quotation was approved. Proposed by Cllr. C. Wise and seconded by Cllr. D. Loveridge and **AGREED by majority (two abstentions).**

c. Councillor's questions

None

26/124 EVENTS

a. Lead councillors report

No report available

b. To note that the Christmas Street lights will be switched on 05th Dec 2026

The Council noted that the Christmas Street lights would switch on automatically on 5th December 2026. A suggestion was reported on behalf of the events lead that Christmas activity could be scaled back and some events funding considered for a summer event, noting declining attendance at Christmas on the Green and the popularity of the 2023 Coronation event.

ACTION: The events lead to bring a developed proposal back to Council.

- c. Councillor's Questions.**
None

26/125 PROPERTIES:

a. Lead councillors report

The properties report was noted. Progress on some matters was slow because legal work on contracts was continuing.

- b. To consider quotes from surveyors to carry out a valuation for the purpose of determining the rental value. Cost Code: 4561/ Rent Reviews. Two quotations from RICS-registered surveyors were considered for a rental valuation of 1 Allen Way.** The Clerk recommended the lower-priced contractor.

RESOLVED: Contractor A, quoted at £1,000, was appointed to undertake the valuation. Proposed by Cllr D. Loveridge and seconded by Cllr. D. Sanders and **AGREED by majority (three abstentions)**

- c. Councillor's Questions**

26/126 HIGHWAYS

a. Lead councilor's report

- b. The highways report was noted. Concern was raised about dangerous parking and obstruction near the Wok "N" Rolls/Horton Road area. It was reported that the issue was already on the agenda for the next Borough Council meeting.**

ACTION: The Borough Councillor to report back at October Council meeting; the Parish Council to then establish what further process was required.

- c. Councillor's Questions.**

26/127 FLOODING AND DRAINAGE

a. Lead councillors report

An update was given on the golf course drainage/ditch system. Work was progressing, although concern remained about funding to complete necessary works before winter. The need to clear the relevant drainage route before the flood season was emphasised.

Members discussed the absence of a near-term comprehensive flood scheme and the potential value of localised measures, including work at the golf course and Datchet Common Brook.

ACTION: Cllr. S. Young and Cllr I Thompson to agree a date to rehearse the village flood plan, identify volunteers and agree a date for the exercise probably in November.

- b. Councillor's Questions**
None

26/128 COMMUNICATIONS

a. Lead councillors report

The communications report was noted. Recent social-media activity included litter-picking, orchard/seasonal content and the farmers' market, with community polls continuing until the end of September. Members discussed communications around flood preparedness. Existing filmed material could be edited and reused as part of an autumn awareness campaign once a date for the flood-plan rehearsal had been agreed.

ACTION: Communications and flood lead to coordinate a flood-preparedness campaign and supporting content.

b. Councillor's Questions

None

26/129 WORKING GROUPS

a. To receive reports from working groups

Heritage Monuments & Memorials advised that following their Group meeting it was requested that request was made to reinstate memorial plaques associated with Jubilee tree planting and to consider a missing plaque. The matter was referred to grounds/office. Quotes were being sought for refurbishment of memorial benches.

ACTION: Office to locate plaques and replace them.

b. To receive update for the Datchet Neighbourhood Plan Delivery and Monitoring Group (DMG)

Members were invited to join watercourse walkabouts. A triangle of land at the corner of Ditton Road and Majors Farm Road was discussed as a biodiversity and drainage opportunity area. Ownership remained unclear and enquiries were being made.

Council noted the issue.

Cllr S. Young wanted to give a verbal update on the Strategic Plan Working Group. the strategic plan had been reviewed with representatives of the neighbourhood plan and village society. An updated version would be circulated to councillors to inform budget submissions. To note the name change to Strategic Plan Delivery and Monitoring Group.

ACTION: Cllr. S Young to bring updated terms of reference for the Strategic Plan Delivery and Monitoring Group to the next Council meeting and office to update material with name change.

Office to update name on all material.

c. To note that Cllr Darren Sanders has resigned from the DNP–DMG Working Group.

Noted

d. To consider whether the Council can reinstate the missing memorial plaques on the village greens (DNP and DMG).

Discussed under 21/129 a

e. Councillor's Questions.

26/130 COMMITTEES

a. To receive reports from committees

No committee reports were presented. A LAMP Committee meeting was noted for 21st October 2026 and a Finance Committee meeting for 26 October 2026. The Finance Committee would undertake a first review of the forthcoming budget, with further public finance meetings arranged if required.

b. Councillors Questions.

26/131 PUBLIC QUESTION TIME

Resident 1 wished to raise a number of issues from the agenda.

- to clarify that the former riverfront steps had been removed as part of earlier riverfront works on the advice of Environmental Agency and could not simply be reinstated. This was noted.
- On item 26/120 d had assumed the library-window expenditure had been approved. This was acknowledged
- The precise location/description for the proposed enforcement camera. A typo in the agenda description was acknowledged.
- Item 26/122 requested that that memorial plaques on riverfront benches be preserved during refurbishment and raised conservation-area considerations for alternative materials. This was noted
- Regarding item 26/123 any cemetery tarmac be permeable because of flood-zone considerations. Noted.
- Item 26/127 to advise that whilst noted golf course work is being done the blockage of Linchfield Brook should be examined and flood bunds should be inspected to see if fit for purpose.
- An incorrect advertised time for the Land meeting was acknowledged.

Resident 2 raised concerns about community engagement and the future of Christmas on the Green. Members clarified that the emerging proposal was to consider the balance of Christmas and summer events, not a decision to abolish Christmas on the Green

26/132 COUNCILLORS QUESTIONS AND COMMENTS

- Charity Clothes Bank capacity and collection arrangements were discussed. The wider issue would be brought back to Council.
ACTION: To be discussed on the
- A further community bulb-planting exercise was suggested, with an emphasis on daffodils for visibility. This was referred to grounds.
- **ACTION:** Office to investigate feasibility
- The success of community litter-picking was noted and temporary anti-litter signage was suggested.
ACTION: The Clerk agreed to look into the proposal.
- A request was made for regional funding for relatively small flood-protection works to be explored.
- A concern was raised about the validity of a football-club lease because of ownership of the underlying land. The matter was to be looked into.
- Questions were raised about Datchet Volunteers and its status.
- A concern was raised regarding the Council's asset records, and it was noted that the matter had been raised with the external auditor.

26/133 DATE FOR THE NEXT MEETING

The date of the next **FULL COUNCIL MEETING** will be **MONDAY 12th OCTOBER 2026**

The date of the **FINANCE COMMITTEE MEETING** will be **MONDAY 26th OCTOBER 2026**

Meeting closed at 8.53pm

Appendix A

DATCHET PARISH COUNCIL

PLANNING ADDENDUM

PUBLIC COMMENTS If you have any comments which you would like the Council to take into consideration when responding please email clerk@datchetparishcouncil.gov.uk and these will be passed onto the Lead Member for Planning.

Applications to be considered at the meeting on Monday 14th SEPTEMBER 2026

APPLICATIONS RECEIVED			
Application No / Type	Application Site	Proposal	DPC Comments
26/01846 Permitted Development Extended	24, New Road, Datchet SL3 9JB	Single storey rear extension no greater than 4.00m in depth, 3.20m high with an eaves height of 3.00m.	Decision is made by the LPA. No objection. Relevant DNP policies are DAT 2, DAT 10. Flood Zone 3. RBWM has already responded: RBWM approves the following condition, which should be implemented in conjunction with the original permission or consent: Condition 3 (Materials) The materials proposed, received by the Local Planning Authority on 12th June 2026, are considered acceptable.
26/01517 FULL	26 Lawn Close, Datchet SL3 9JZ	New front porch, part single part two storey side/rear extension, hip to gable roof alteration, 1 no. rear dormer and alterations to fenestration following demolition of existing elements.	Objection – If the applicant was to reinstate the chimney that was removed without consent and submitted this application then, we would recommend this proposal but when there is clearly a breach in planning from application 26/01609/CPD, this appears to be just floating planning laws. If officers are inclined to approve, we refer them to the relevant DNP policy is DAT 2
26/01582 FULL	Kingsley 67 Slough Road Datchet SL3 9AL	Detached garage, store and rear canopy, following demolition of existing garage.	No objection subject to the relevant DNP policies are DAT 2, DAT 10. Flood Zone 3.
26/01895 Discharge of Condition	Woollacombe Southlea Road Datchet Slough SL3 9DB	Details required by Condition (3) (bat licence) of planning permission (23/02608/FULL) for a (roof extension at first	No objection - Relevant DNP Policy is DAT 8. RBWM has discharged Condition 3: bat licence The license for development works affecting bats has been secured from Natural

		floor to provide additional habitable accommodation).	England, referenced 2026-90784-EPS-MIT. The works shall be undertaken in accordance with the mitigation measures approved in the licence and maintained in accordance with the approved details in the licence.
26/01944 FULL	Westfield 141A Slough Road Datchet Slough SL3 9AE	Single storey front/side extension and porch, two storey rear infill extension, 1no. rear dormer, alterations to the roof, external finish and fenestration.	No objection subject to relevant DNP policies are DAT 2, DAT 8, DAT10. Flood Zone 3. This property has already been extended.
26/01955 FULL	2 Holmlea Road Datchet Slough SL3 9HQ	Change of use from a dwellinghouse (Use Class C3) to a children's home (Use Class C2) for up to three children, together with conversion of the garage to an office with an en-suite facilities and alterations to fenestration.	No objection subject to relevant DNP policy is DAT 10. Flood Zone 3.
26/01935 Discharge of Condition	Land To the Rear of 45 To 63 London Road Datchet Slough SL3 9JY	Details required by Condition 16 (EV Charging) of planning permission 25/01583/VAR for the Variation (under Section 73) of planning permission 22/02737/FULL to vary the wording of Condition 5 (Flood Risk Assessment And Drainage Strategy).	Noted
26/02040 Discharge of Condition	Land To the Rear of 45 To 63 London Road Datchet Slough SL3 9JY	Details required by Condition 26 (Accessibility Standards) of planning permission 25/01583/VAR for a Variation (under Section 73) of planning permission 22/02737/FULL to vary the wording of Condition 5 (Flood Risk Assessment and Drainage Strategy).	Noted
26/02092 FULL	12 Ditton Road Datchet Slough SL3 9LR	Single storey rear extension	Objection as sited and relevant DNP policies are DAT 2 and DAT 10. Flood Zone 2. The proposed extension, by virtue of its height, depth and proximity to the flank

			boundary of the site, would have a materially harmful impact on the amenities of the neighbouring property, 10 Ditton Road, in terms of overdominance and loss of light. As such, the proposal fails to comply with Policy QP3 of the Borough Local Plan, the guidance set out in the Borough Wide Design Guide, and Policy DAT 2 of the Datchet Neighbourhood Plan.
26/01612 FULL	71 Montagu Road Datchet Slough SL3 9DX	Single storey front infill extension, two storey rear extension with roof lights and steps, alterations to fenestration and external finish.	Objection as the FRA has not taken into consideration the latest Environmental Agency recommendations of climate change, produced in January 2026. We would look to remove our objection if the applicant was to present evidence that this consideration was presented in a suitable revised FRA in accordance with the new climate change recommendations for flood zone 3, which this development predominantly sits within. Subject to the relevant DNP policies are DAT 2, DAT 8, DAT 10, Flood Zone 3.
26/01885 Permitted Development Extended	101 Ditton Road Datchet Slough SL3 9LX	Single storey rear extension no greater than 7.95m in depth, 3.00m high with an eaves height of 2.85m.	Objection as no flood risk assessment has been supplied. Refer to the relevant DNP policies are DAT 2, DAT 10. Flood Zone 3. PDXL - no FRA
26/01897 FULL	Fairway Fairfield Avenue Datchet Slough SL3 9NQ	Two storey rear extension, two storey front bay window extension, alterations to fenestration and hip to gable to create loft conversion.	Objection as we cannot see how the applicant has mitigated or shown that harm to bats would be avoided. Should officers be of a mind to approve, we would extend a need for strong conditions being applied and overall oversight of the whole development by ecology to maintain the licence conditions but again we cannot see how harm would not be applicable. Subject to

			the relevant DNP policies are DAT 2, DAT 8, and BLP NR2 Two similar applications have been made previously, 25/00812 and 26/00088. Both were refused by RBWM and both were dismissed on appeal. Both refusals related to bats. 25/00812 was refused because of insufficient information to conclude that harm to bats would be avoided. 26/00088 was supported by a Preliminary Roost Assessment which identified the need for bat emergence surveys to be undertaken. These surveys were not done. This meant that the proposal was contrary to BLP NR2 and DNP DAT 8. The present application under review, 26/01897, looks similar to the previous applications. It includes a bat emergence survey but the cover sheet says this survey has been prepared to inform 25/00812, the earlier refused application. It's not clear whether the bat survey would still apply to the current application. Please can the officers take note of this.
26/02164 Discharge Condition	of Land To the Rear of 45 To 63 London Road Datchet Slough SL3 9JY	Details required by Condition 22 (lighting strategy) of planning permission 25/01583/VAR for a variation (under Section 73) of planning permission 22/02737/FULL to vary the wording of Condition 5 (Flood Risk Assessment and Drainage Strategy).	Noted
